Benefiting the Puget Sound Affiliate of Susan G. Komen for the Cure

**Together, we make a difference. Join us to celebrate Mother's Day and show your support for Komen Puget Sound.**

I'm excited to invite you and your family to join us to celebrate this Mother's Day with a grand Chinese music and dance performance brought you by **the Huayin Performing Arts Group (HPAG)** that benefits **the Puget Sound Affiliate of Susan G. Komen for the Cure**. It's a special performance that will enrich the meaning of arts and help women with breast cancer.

On Sunday, May 10<sup>th</sup> 2009, HPAG will present "Enchanting China – A Dedication to All Mothers", at Meydenbauer Theatre in Bellevue. Proceeds from sales of tickets will be donated to the Puget Sound Affiliate of Susan G. Komen for the Cure. It's an exhilarating celebration of Chinese performing arts, features world-class performers, dazzling costumes, elegant folk dances from various ethnic groups across the massive Chinese landscape. This inaugural charity event will showcase our most unique and elaborate stage performances. Our world-renowned artistic director, Ya Lu, will create an exciting and colorful dance program never seen before. The show will also feature acclaimed instrumentalists, Bo Li, Xiaomei Wu as well as vocalists Jack Li, Yadong Sun and Dai Dong.

Established in 1982, Susan G. Komen for the Cure is a national organization with a network of volunteers working through local affiliates and Komen Race for the Cure® events fighting to eradicate breast cancer as a life-threatening disease by advancing research, education, screening, and treatment. Today, the Komen organization is recognized as the leading catalyst in the fight against breast cancer, with more than 100,000 volunteers working in a network of 125 U.S. and international affiliates.

Now we are bringing our effort in serving our community to the next level. State of Washing has 3<sup>rd</sup> highest breast cancer incidence rate in U.S. This charitable event will demonstrate our support as local minority group to world's leading breast cancer foundation and women in State of Washington.

We are looking forward to seeing you at this exciting event!

With love and gratitude,
